Chapter 9

The Rebel Shadow Master 2

Message from Tora:

By the time I remember this project...it was already the day I was supposed to release. But because I had to typeset, there was no motivation to rush it as well so I was sick all week and still am. So those are my excuses~ Today is my birthday~ This chapter was alright, everything seems random, suddenly they're at a new battle location with new missions and what not. I have no idea what's going on~ Enjoy!!

Chapter 9: Impregnable Capturing Method

If you look at it from afar, it really looks like a savannah, doesn't it?
However, in reality, it's an extremely harsh and steep, rocky mountain range.
Because of the topography of the mountains,
the empty gaps are a perfect place for many bandits to hide in.
As such, the Chronos Army's security is the most intense and feared in the world,

As an im-
pregnable
fortress.

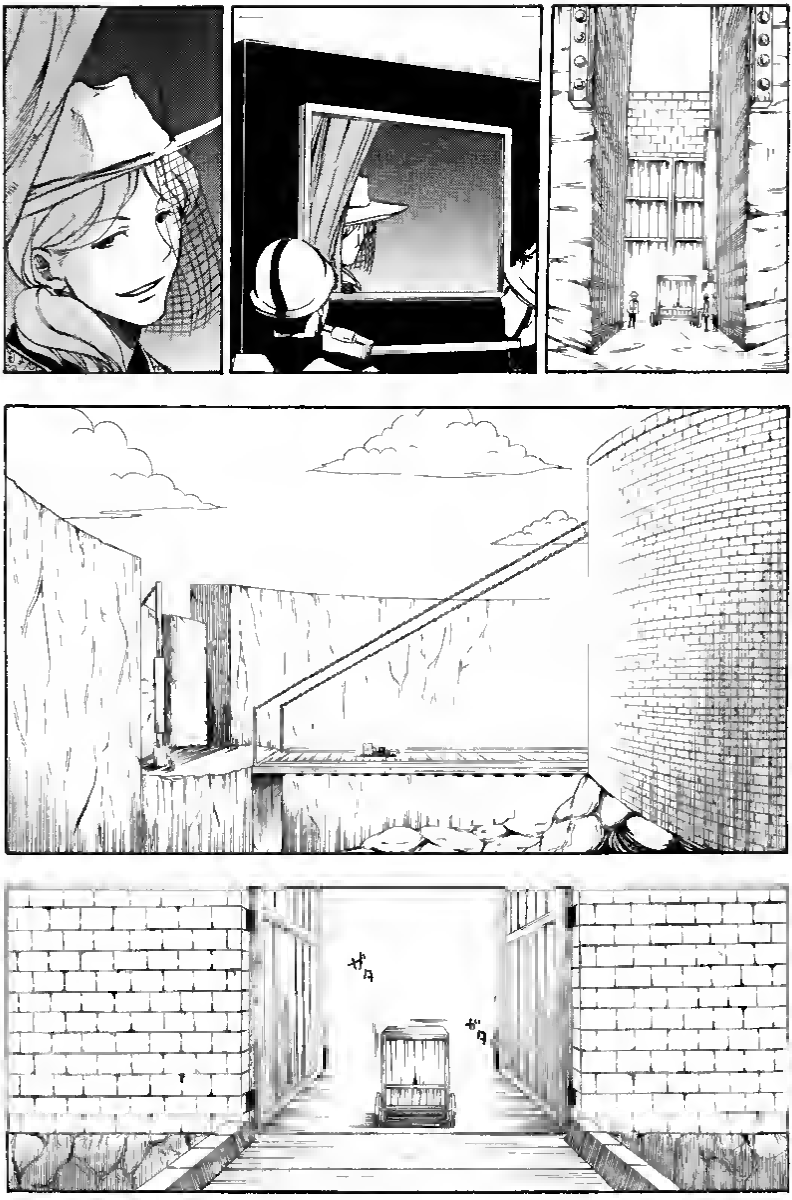
Is it really that scary of a place?
Of course...
Actually, everyone, I have a favor to ask.
!
COULD YA INFILTRATE THAT ARMY WITH ME?

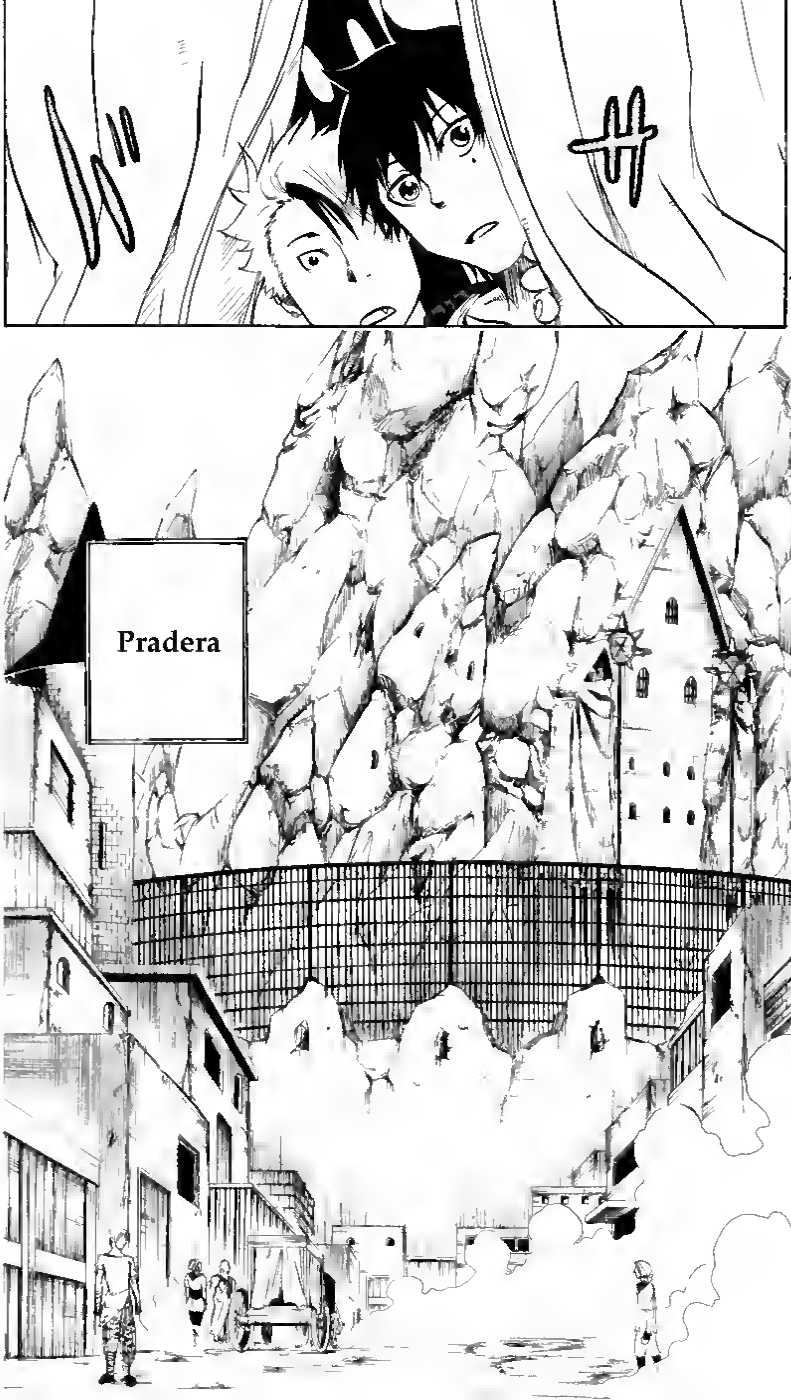
The Chronos Army said they were gathering Shadow Masters, and took them by force.
I'm pursuing my benefactor... the one who taught me about being a Shadow Master.
I-I have a feeling that I'll lose my master...!!
A letter came from them saying they were alright, but...
and being forced into slave labor...
I heard they were being brought to Pradera,
I'M WORRIED!!
SO I-!!

SURE.
WE'LL HELP.
I'll help out too.
Ship's already left port...right?
Well, guess there's no other choice.
.....

THANK YOU.
Infiltrating the Chronos Army, I might come across some info.
Well, I also need to look for that Vause Glass team in Pradera, anyways.
どん!
Gigi!

YOU GUYS...
Since I haven't made up for that loss back with Detona.
I also want to deliver my goods to the army.
どん
ゆぁぁよ
SO THAT WAS YOUR MOTIVE, HUH!?



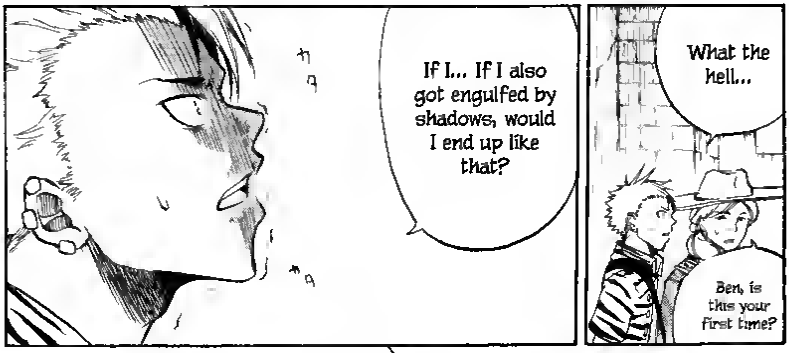


Pradera

Just who do you think I am?
Gii
For an impregnqgble fortress, we sure got through that check-point quickly.
Besides ...
But for humans, they listen to this here.
For you two, it might not be as effec-tive,
Over there is Pradera's center... the place rumored to have the most severe security in the world.
The fortress I spoke about is the castle-like place by that stone statue.

What's this... You got cold feet, Ben?
Ya think master's over there...?
MOVE, OR YOU WANNA GET RUN OVER!?
OUTTA THE WAY!!
!?
A DOLL!!
LET ME GO-OO-OO!!

Still, why do they always bring them in alive?
I got no idea what goes through their heads.
I had an acquaintance go into the fortress, and haven't seen them since.
Probably overdid it with the Sand of Darkness.
To the Chronos Army again, huh?



If I... If I also got engulfed by shadows, would I end up like that?
What the hell...
Ben, is this your first time?

DON'T BE SCARED. LOOK CLOSELY.

Don't look away from the sorrows that is shadows.
If you look away,
Just who's going to fight with your wishes in mind?
Actually, first of all, if you don't fight at all, we won't help you out.
You idiot.
.....
I-IDI-... I GOT THAT!!
YA MO-RON!!

As for us, if we say we're Shadow Masters, they'll easily let us in!
Yeah, once they bring it in, they'll probably immediately withdraw.
EH?
As you said, I'll have the army only carry in the goods tonight, yes?
Then, you're really sure you'll be alright?
GIGI ...
Call, put this on quickly!!
If he don't get found out, we're all good, yeah? Leave it to me!
No problem!
BUT CALL IS A WANTED A FUGITIVE...
HEY.
I'M WORRIED..
.....

Both of us are Shadow Masters! We heard about the gathering, so we came!

Yeah... It looks kinda unbalanced.
That guy's head is huge.
What's this? You're a candidate?
Inside
BEN, YOU BASTARD...
POPS!?
WHAT? ARE YA GUYS MAKING FUN OF MAH POPS' FACE!?
Gotcha!
OK, OK! JUST HURRY UP AND SHOW US YOUR SHADOWS!
Ho
Ain't that great, pops!
MY POPS' FACE IS UNCUTE!?
LOOK, TAKE A GOOD LOOK!
YOU'RE CLOSE, TOO CLOSE!!

Ah...
JUST NOW!!
HIS NECK!!
HIS NECK!!
MY BAD, I USED TOO MUCH STRENGTH THERE, POPS.
SIR!?
'EY, THAT WAS JUST A LITTLE EXERCISE...

Y-.....
YES!!
You wanted to see my shadow, right?
It seems like
I didn't teach you manners.
YOU HEARD THEM, CAN YOU DO IT, SIVA?
GI!
IT RE-TREATED!?
SOMETHING'S EMERGING HUH!? GRASS!?

DO YOU HAVE A PROB-LEM?
WE'LL TURN YOUR HEARTS BACK TOO!
WE ARE EX-TREMELY SORRY!
TWO SHADOW MASTERS ARE EN-TERING!!
WE GOT THROUGH!?

That went well, didn't it, Cell?
It's a miracle, you idiot!
LET'S GO RESCUE MY MAS-TER!!
